

Presentation

Our robot

What can we
make it do?

Explain the
control process

What's it sensing?

How is that sent
to the computer?

What is it coded
to do?

How is it sent
back to the
motors?

What does it do?

Presentation

Our code

IF statement	
Loop	
Custom block	

Presentation

Our skin

What material did you use?	
How do you want your Blossom to be perceived Smart? Helpful? Kind?	
How is the material sustainable? Is it recycled? Repurposed?	
How is the material equitable? Cost? Access from home?	

Presentation

Our reflection

Something that surprised you	
An example of AI you come across every day	
Something you found difficult but overcame	
Something you would do differently next time
